

Contract for Flexible Child Care Services Wish List

I understand that my child is currently on an active waiting list. I will be notified by the office when my child is able to be fully enrolled.

- While waiting to be fully enrolled, I am able to access child care using the “wish list” option, because other fully enrolled children may not require a space on that day.
- Children using the “wish list” are prioritized by the dates enrolled and placed on the waiting list.
- Available spaces (dates and times) are subject to change week to week.
- I understand there could be periods of time when no childcare is available at all.
- I may be taken off of the “wish list” option at any time.
- If I don't utilize the wish list by submitting a schedule once a month, my child will automatically be demitted from the program. It will then be my responsibility to add my child's name back on the waitlist using the municipal waitlist website. www.Chatham-KentChildCare.ca
- This “wish list” contract is effective: _____

I agree to send in my child's schedule via parent drop box, email, fax or website by noon on Wednesdays prior to each week. **The scheduler will email me if the hours I wish for cannot be accommodated on Friday.**
